FRESH
COLLECTION

Lead color

Lime green

With the combination of green and yellow, lime green **achieves a balance between energy and joy.** It is a shade that carries positive associations with summer days, crispness and nature.

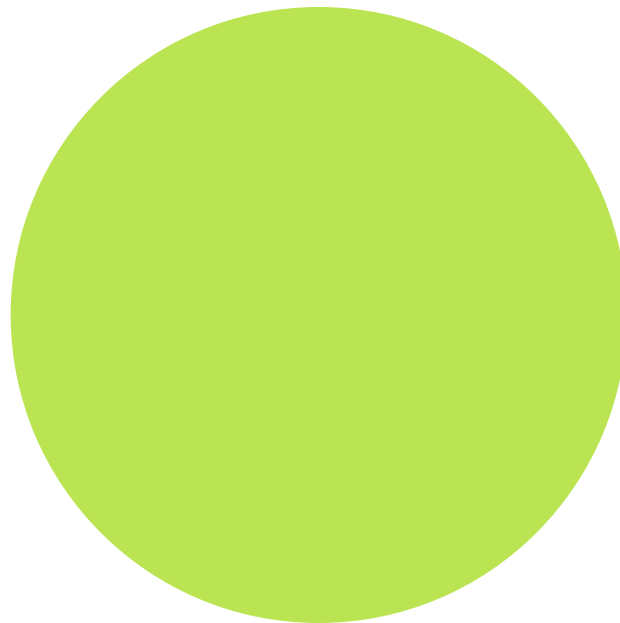

For whom?

nursery

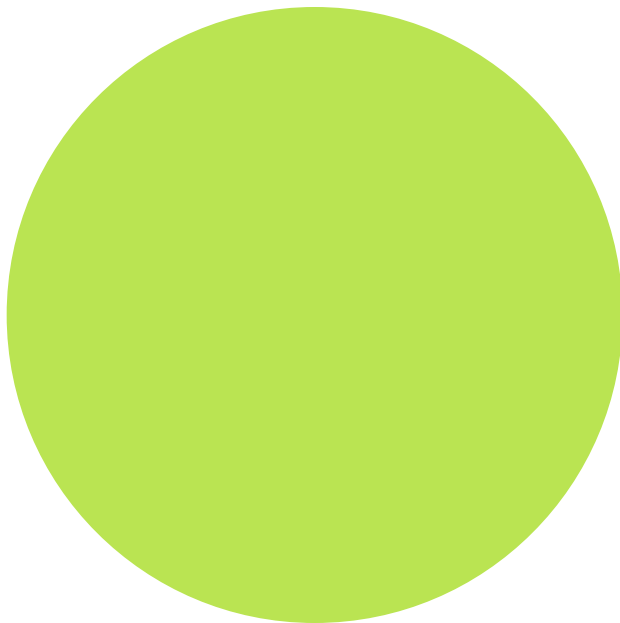

kindergarten

What makes the fresh collection stand out?

panel with replaceable content elements

*for indoor playgrounds

The panel has an acrylic pocket attached to it, which can be a place to e.g.:

- insert interchangeable trivia, provided quarterly by Nolmo
- highlighting the child's work
